

2024 Prom

It is hard to believe that we are within months of the Thom Collegiate 2024 Graduation and Senior Prom! We are so excited to celebrate our students and have been working hard to create a night just for them. Important information will be shared over the next two months. Please join the **Prom 2024** group on Edsby or the **Thom Collegiate Prom 2024** group on Facebook for updates and fundraising opportunities.

Some Quick Facts about Prom

- The Prom is organized entirely by parents at the direction of school administration and is completely funded through the fundraising efforts of the prom Committee.
- **All 2024 seniors are eligible to attend** regardless of their pending graduation status. This is an opportunity for our students to celebrate the end of their school tenure as a class.
- The grand march is open to special guests (parents, family, guardians etc.). Once that portion of the evening is over all special guests will leave, and the senior prom will begin.
- Each student may bring up to **six special guests**. Complimentary tickets will be issued for your special guests.
- All attendees for the Senior prom require a purchased ticket. If Thom Senior would like to bring a date to the prom who is not also a Thom Senior (Different grade, school, etc.) that person must also have a purchase ticket.

How to purchase your Thom Senior Prom 2024 Tickets

Ticket sales will run March 27th to June 14th. To purchase tickets, please send e-transfer to thomprom2024@gmail.com

In the **notes** section, please include the following information:

- Students name and escorts name (if applicable)
- Number of complimentary special guest tickets required
- Any dietary restrictions that you require accommodations for. All dietary accommodations requests need to be submitted by May 27th 2024. Dietary accommodations are only required for people attending the senior Prom, not the special guests.
